Discontinued Products

Due to decreasing demand and manufacturing limitations, Kodak announces the following product discontinuances. Kodak will accept orders for these products through September 30, 2009, and such orders will be filled on a first come, first served basis. Orders will be filled no later than December 31, 2009.

Kodak may limit order quantities and adjust delivery dates based on production schedules and capacities. Since it is not always practical to produce exactly the amount ordered, Kodak reserves the right to ship plus or minus 10 percent of the ordered quantity for these products. Catalog stated minimum and multiple order quantities apply. Orders must call for immediate delivery.

All orders will be final and are not cancelable. Product will be shipped as soon as produced for customer delivery and orders cannot be placed for future delivery. In all cases the complete film code is being discontinued.

The following materials will be removed from the KODAK Surveillance and Data Recording Catalog.
